NOTEWORTHY ACTIVITIES:

Code Enforcement reports that the majority of issues addressed are being remediated by property owners and she is receiving significant cooperation.

There was an overdose related death in the Borough in the month of June. GPD Officer arrived on scene and administered Narcan, performed CPR and used an AED prior to arrival of EMS and assisted upon their arrival. A criminal investigation is continuing.

We would like to thank the John Allison Public House for the BBQ that was delivered to GPD this past month.

Our Community Liaison advises she has received 23 new referrals from GPD in the last three months. She continues to provide services to our community with great success.

The RADAR bill was passed by the PA Senate and has been referred to PA House Appropriations Comm. Unfortunately the House is now in summer recess. I have already been in contact with Rep. Schemel for his support. This legislation is closer than ever. PA needs to approve 60 year old technology for local use.
